1 New Testament Names and Frequencies

This lists the proper names and their frequencies in the [English Standard Version](#) translation of the New Testament. It's a plain text file, tab-delimited. (Thanks to [their webmaster](#) for sharing this)

[View the list](#)

2 Starting to Read the Bible for Yourself

Slides from a seminar at [Cedar Ridge Community Church](#) on helping newer believers get started with personal Bible study. It's not fully self-explanatory, but some parts may be useful apart from the presentation.
